

Our time, like yours, is valuable.

Due to our busy schedule, **ALL** appointments require a confirmation. Failure to confirm your appointment within 24hrs of the schedule time will result in your appointment being removed from the schedule.

- If you are more than 5 minutes late for your cleaning appointment or 10 minutes late for your scheduled time, your appointment may be re-scheduled. (We do not allow a grace period for cleaning appointments scheduled at 11:30/4:30)
- If you have three (3) same day cancellations/no call, no shows, you will be placed on a "Same Day Only Status" and the office will no longer reserve appointments for you.
